1

Review

What happened from the last time you met? Check in with the people from the group and ask them if they did what they said they were going to do.

2

Read

Read the passage a couple of times out loud from different versions. Choose a passage about 5-10 verses long.

3

Retell

Close your Bibles and as a group try and retell the passage in your own words.

4

Reflect

What stands out to you from the passage and why? What could God be saying to you? Spend some time thinking about this then share it with the others present.

5

Respond

Respond to what stood out to you by deciding on an action. If this is true, what are you going to do about it? Who can you tell? Make sure someone records what is said.
