

# Playgym Playgroup

## Philosophy

We are a playgroup set up to promote opportunities for parents/carers to interact in a positive way with their child/children in a place where they are valued as a parent/caregiver and for children to feel safe and have a chance to make friendships with other children and families who come.

We are built on Christian values and so some of our songs and stories will be about God, however everyone is welcome regardless of their beliefs or faith.

Playgym has an emphasis on using large climbing and preschool gym equipment to build confidence, balance, muscle strength and give a good way to burn off energy!

**Session Cost:** \$2 /family

**Time:** Thursdays during the school term. Session 1: 9am-11am  
Session 2: 10am-12pm

**Venue:** In the gym at 244 Lytellton St

In order to keep things running smoothly, each child must be enrolled and then accounted for on the roll each session.

### Health and Safety

Our aim is to keep everyone safe while they are at Playgroup (*see our full Health and Safety Policy*)

We will:

- a) maintain good health and safety practices
- b) ensure all practicable steps are taken to eliminate, isolate, or minimise hazards to children attending the playgroup
- c) ensure that appropriate procedures are in place to deal with fires, earthquakes, and other emergencies

No person on the premises may smoke in any area which is available for use by children or for food preparation during the playgroup's hours of operation.

No person on the premises uses, or is under the influence of alcohol or any other substance that has a detrimental effect on their functioning or behaviour during the playgroup's hours of operation.

All practicable steps are taken to protect children from exposure to inappropriate material (eg, of an explicitly sexual or violent nature).
