Reminders:

- Please pack a water bottle daily (we are running out of cups early in the day)
- Please leave all toys at home or in the car.
- We close at 3:30, please be here by 3:25 to collect your child. If this is not possible, please contact Colleen to inquire about our late session 3:30-4:30
- Winter bugs... if your child is unwell please keep them at home. We still have some nasty bugs floating around.

What’s coming up?

- Birthdays in September:
  Sofia, Lucas and Heidi will be 5! Thea will be 4. Lynda will be 21 AGAIN!
- Cooper and his Mum (Amie) are going to cook a yummy meal for us...watch this space.

Nau Mai, Haere Mai to our new tamariki and whanau. We welcome Aria, Jesse, Addison and Bentley to the kindy!

Haere Ra to Sofia and Heidi who are both leaving for school in September. God bless you both!

Ruby is spending a few months in the nursery but she will be back... 

Physical challenges: Our tamariki have been challenging themselves physically and exploring what their body is capable of. They have enjoyed challenging themselves by building and completing obstacle courses, playing basketball, soccer and hockey, being involved in a Pilates session, and learning to hula hoop. As they challenge themselves they are gaining confidence in and control of their bodies, problem solving, thinking and reasoning, and learning to work with and alongside others.

The Librarian Came to Kindy...

We enjoyed a visit from a librarian called Lynette. She shared with us some of her favourite stories and songs. She brought her special monkey friend to help her tell the stories. She then showed us a very old book, which she read to us before asking for some actors and actresses to act out the story! It was a very funny story about a King who didn’t want to get out of the bath!

Tino pai to mahi tamariki ma!

A BIG Thank you to...

- Theresa and Sofia for making those delicious donuts with us!
- Abbey for doing a Pilates movement session. The tamariki loved it and would love to do more...
- Dave and Juzzy for the basketball session. The tamariki have been practising hard since then.

Parents Voice:

You may have noticed our monthly planner above the roll. This is your opportunity to have a say and get involved in your child’s education! At SBCK we believe that by working alongside whanau we can plan and implement the best learning program for your child, help to make genuine connections between home and kindy, and allow children to get involved with the wider community.

If you have any questions about this OR if you desperately want to join us for some fun and learning - please see a teacher.

By Kate, Ruby and Lynda
